

## N Series Thermoplastic PAR18 Emergency Remotes

**SP** Approvals:  
CSA Certified to  
C22.2 #141

### Description

The ELS N series are thermoplastic remote heads featuring a fully adjustable locking tilt and swivel. Available with tungsten or quartz lamps up to 18W, these remotes are designed for use with 6, 12 or 24V emergency lighting circuits. The 5" canopy mounts directly to a standard electrical box (not supplied). Standard finish is white. Other colours are available, please consult ELS for details.

### Warranty

As always, ELS is Focused on Quality. For complete warranty details, please see our terms and conditions.
