

D Series

NEMA4X REMOTE

MR16 Weatherproof NEMA4X / EEMAC4X

Single, double or triple

6V, 12V, & 24V Lamps

Approvals:
CSA Certified to C22.2 #141.15

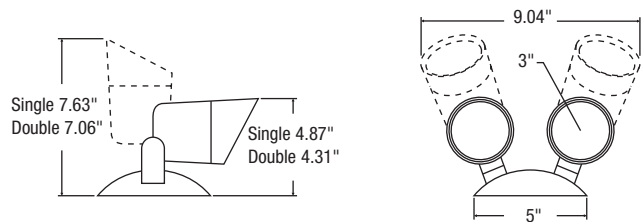

DESCRIPTION

The D series by Stanpro is a fully enclosed die-cast remote emergency light. The gasket seal, ensures that this series will be the perfect choice in an industrial application where water or other contaminants can affect the condition of the unit. The MR16 lamps provide maximum lighting protection in case of power failure. The series is available in single or double heads. The 5" canopy mounts directly to a standard octagon box (not supplied). Standard finish is grey.

MECHANICAL

- Die cast, solid aluminum housing
- Die cast, gasketed lamp collar with screw lock
- Fully adjustable - both tilt and swivel
- 5" diameter die cast aluminum canopy standard
- Canopy mounting holes designed to match standard electrical junction boxes
- Grey colour is standard
- MR16 lamp designed with low glare reflector and available in 6VDC, 12VDC or 24VDC
