

R Series

PAR36 LARGE REMOTE

Rubber Housing

Single or Double

6V & 12V Lamps in Quartz & Tungsten

Approvals:
CSA Certified to C22.2 #141.15

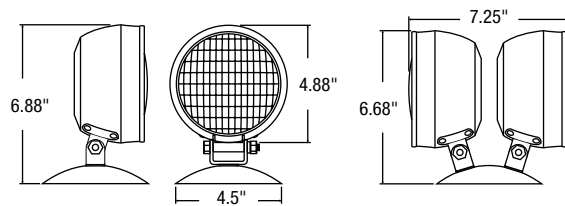

DESCRIPTION

The R series of industrial rubber PAR36 remotes is ideal for washdown and high humidity applications. The one piece molded rubber housing holds the sealed beam lamp securely in place and will not rust or rot. The fully adjustable heads both tilt and swivel and are lockable. The standard die cast canopy is designed to mount directly to typical electrical junction boxes. Available in 6V and 12V models, utilizing sealed beam lamps.

MECHANICAL

- Molded, one piece rubber housing
- Fully adjustable - both tilt and swivel
- 5" diameter die cast aluminum canopy standard
- Canopy mounting holes designed to match standard electrical junction boxes
- Black color is standard
- PAR36 sealed beam lamps ideal for washdown areas

DIMENSIONS
