

DOMESTIC STATIONARY BATTERY WARRANTY

LIMITED WARRANTY

GNB® Industrial Power, a division of Exide® Technologies (“GNB”), warrants to the “User”, subject to the Conditions described below, that a SPRINTER® stationary battery, when used within the United States and Canada in full float service (“Covered Battery”) will be free from defects in materials or workmanship for a period that is either 42 months from the date of shipment or 36 months from the date of installation, whichever is shorter. The User shall promptly report any alleged defects to GNB and permit examination by GNB authorized service personnel.

If GNB finds the Covered Battery has failed due to defects in materials or workmanship GNB will replace any defective parts or batteries only (labor not covered), FCA (INCOTERMS® 2010) GNB’s plant. If instructed by GNB, User must return all defective batteries or parts to GNB at User’s expense. User may not return defective batteries or parts to GNB’s factory without GNB’s prior authorization. Upon return or replacement, User releases to GNB all title and interest with respect to the returned battery or parts.

GNB also warrants to the User, subject to the Conditions described below, that a Covered Battery will furnish at least 80% of its rated capacity during the Warranty Period.

CONDITIONS

1. The Covered Battery must be handled, stored, and installed in accordance with GNB’s published instructions for the Covered Battery.
2. The Covered Battery must be operated and maintained in a temperature controlled environment between 70°F and 80°F using an approved full-float, voltage regulated charger with temperature compensated charge voltage per the GNB Installation & Operations Manual.
3. Capacity or performance testing shall be performed in accordance with IEEE-1188: IEEE Recommended Practice for Maintenance, Testing, and Replacement of Valve-Regulated Lead-Acid (VRLA) Batteries for Stationary Applications and subject to requirements as stated in the GNB Installation and Operations Manual.
4. Customer shall maintain complete annual records regarding the temperature, voltage, conditions of use, and maintenance performed, including initial charge and equalize charging, as per the GNB Installation and Operations Manual and must promptly provide these records to GNB upon request. User shall also promptly report any alleged defects to GNB, and permit examination of the batteries by its service personnel.
5. Repairs or modifications made to the Covered Battery without prior written consent of GNB will void this Limited Warranty. In no event shall the User return the Covered Battery to GNB’s factory without GNB’s prior authorization. The replacement battery and/or parts shall only complete the remaining unused portion of this Limited Warranty of the replaced battery. This Limited Warranty applies to the original user only, and does not apply if battery system is moved from original point of installation.

LIMITATIONS ON LIMITED WARRANTY

This Limited Warranty is the only warranty provided by GNB or Exide Technologies. THE RIGHTS AND OBLIGATIONS SET FORTH IN THIS DOCUMENT ARE EXCLUSIVE AND IN LIEU OF ALL OTHER WARRANTIES, EXPRESSED, IMPLIED, OR STATUTORY, INCLUDING THE WARRANTIES OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE. This Limited Warranty may not be assigned or transferred by the User and it sets forth the exclusive remedy for all claims, damages, or losses arising out of defect in or failure of any Covered Battery. In no event shall GNB or Exide Technologies be liable for consequential or incidental losses or damages under any theory of liability, except to the extent that this limitation is found to be unenforceable under applicable state law or other law. Some jurisdictions do not allow the exclusion or limitation of incidental or consequential damages, so this exclusion may not apply to you. This Limited Warranty gives you specific legal rights, and you may also have other rights, which vary from jurisdiction to jurisdiction.
